The Harmonious Wail 7pm Wed, January 18

Purveyors of Americana-infused Gypsy Jazz, from Parisian cafes, to the deepest blues of the Memphis Delta, to the heartfelt folk scenes across every-town-America.

Olivia VanGoor Jazz Trio 7pm Fri, January 20

Olivia is a young performer with an old soul influenced by swing and bebop jazz from the mid-20th century. She draws from the Great American Songbook and other jazz standards in a way that is beyond replication.

Ted Bounty 7pm Sat, January 7

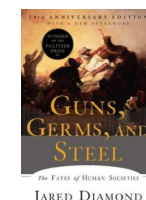

Ted Bounty is like most musicians who believe music can be a powerful instrument to deliver an important message. He plays guitar and harmonica while dabbling in the mandolin, banjo, fiddle and piano.
